The attention of the public is hereby invited to the Notification of this office dated 6th November 1956, published in the *Mysore Gazette*, in Part VI, dated 29th November 1956 and 3rd December 1956 for the receipt of sealed tenders for the construction of Health Unit Building at Malebenur in Haribar Taluk till 3rd December 1956, 4 P.M. is extended to 4 P.M. on 11th January 1957.

451

Tender Notification dated 4—6th December 1956.

Sealed tenders will be received from the contractors at the Office of the Executive Engineer, Davangere Division, up to 4 P.M. on 4th January 1957, for the following works:—

Sl. No.	Name of work	Earnest money deposit	Monthly progress	Work to be completed by the end of
		Rs.	Rs.	
1	Constructing quarters for Sub-Inspector (Two quarters).	980	5,000	5 months
2	Constructing quarters for Police Inspector (Three quarters).	1,950	5,000	9 months
3	Construction of three additional rooms to Government Middle School at Sreerampura in Hosadurga Taluk.	270	1,500	4 months

2. Tenders in the prescribed form obtainable from the Office of the Executive Engineer, Davangere Division, Davangere, on payment of annas eight per form should be addressed to the Executive Engineer, Davangere Division, Davangere, in a sealed cover and superscribed as "Tender for .....". The name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a challan for Rs. ..... (.....) deposited in Government Treasury under "Revenue Deposits" and duplicate challan should be enclosed with the tender. The earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract. Such a deposit in cash will not carry any interest.

4. The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing. The final acceptance of the tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any.

5 The name of the successful tenderer will be posted on the notice board in the Executive Engineer's Office in due course. Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement in the departmental schedule contract form, for the due fulfilment of the contract, and for the execution of all items of work in accordance with the Bombay Specifications (1931).

6. Failure to comply with the condition 5 above, or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. The earnest money of rejected tenders will be returned on submission of the receipt originally granted along with an application to the Executive Engineer.

8. Copies of contract documents, schedules, and drawings may be seen at any time at the Executive Engineer's Office, Davangere on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 2 NOON on Saturdays.

9. Specific rates should be given for each item in the schedule accompanying the tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage reduction on the estimate amount will be rejected.

10. Any rates or lumpsum amounts for the items not called for, if tendered by the tenderer, will not be taken notice of, the rates for such items may be entered in a separate schedule with date and the reasons for the same.

11. No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made, the tenders are liable to rejection.

12. There should be no alterations or erasures in the tenders in the rates of items and any corrections made in the rates should be attested to, and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

13. No reference should be made to the Public Works Department Schedule of Rates.

14. In the event of the tender being submitted by a firm, it must be signed separately and severally by each member thereof, or in the event of absence of any partner, it must be signed on his behalf by a person holding power-of-attorney authorising him to do so.

15. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of work not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of current schedule or data rates for materials and labour with a contractor's profit of 5 per cent as may be approved by the Superintending Engineer. This shall be final and legally binding on the tenderer.

16. The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer or his representative. The tendered rates will hold good for any quantity, whether higher or lower, than those given in the enclosed schedule, and till completion of works and can under no circumstances be enhanced.

17. The works should be completed and handed over in a tidy condition to the Public Works Department by the end of ..... months after the acceptance of tender, failing which, the Executive Engineer shall levy a penalty of 1½ per cent on balance of works per month of delay, and will be recovered from the contractor's outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The progress shall not be less than Rs. 1,500 per month.

18. In all matters of disputes of any kind not specially provided for in the agreement or of rates, penalties, measurements, quality of work, etc., the decision of the Chief or the Superintending Engineer shall be final and legally binding.

19. No claim for damages or for delays caused by Officers of the Department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case.

20. The contract should not be sublet.

21. All materials, tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules, from the date of taking over of such machinery, tools and plant from the Stores to the date of return thereto, the dates considered being the dates of acknowledgments of the vouchers in each transaction. Any material costing more than Rs. 50 will be issued to the tendered contractors from stores on payment of cash only subject to availability.

22. The contractor should arrange for the payment of royalty and tolls.

23. Income-tax Clearance Certificate issued by competent authority should be attached to the tenders.

Note.—(a) The contractor should at his own cost :—

1. Provide rods, stakes, ropes and labour required in setting out the works.
2. Provide all necessary scaffolding, centering, labour and appliances for hoisting.
3. Provide mortar mills and sheds to keep materials under cover and also for workmen.
4. Arrange for protecting work during inclement weather.
5. Supply requisite temporary lights, water cisterns, water pumps and hoses, sieves, parahs, shoring, strutting and other requisites protective appliances, during the progress of the work.
6. Supply all water required for the work and workmen and shall provide temporary latrines and drains.
7. Clean away all dirt, rubbish, superfluous materials and debris as they accumulate.
8. Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains, slump pits, etc.
9. Afford facilities to any other parties employed upon the work by the P.W.D. so that their work may proceed during the progress of the contract and give such persons the use of ordinary scaffolding and ladders.
10. The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all risks of accidents and if necessary, provide for the same by insurance at the proper time.

Note.—(b) It is the business of the contractor to make his own arrangements for quarries and supplies of materials.

3. All these articles may be inspected by the intending purchasers at the premises of the Office of the Assistant Director of Agriculture, Shimoga, on any working day between 1 P.M. and 4 P.M. (except on Saturdays and Public Holidays).

4. The sale is subject to confirmation by the Commissioner for Food Production in Mysore, Bangalore who has the right to accept or reject the bid, without assigning any reasons.

5. Every intending bidder will have to deposit a sum of Rs. 50 with the sale conducting officer before the auction commences which will be refunded to the unsuccessful bidder immediately after the close of the sale.

6. The highest bidder should deposit one-fourth of the bid amount immediately after the sale is over. The balance of the bid amount (less the amount deposited by him) should be paid by him within three days of the intimation of the confirmation of the sale to him, failing which the amount deposited by him in this connection will be forfeited to Government and the articles resold at his own risk.

7. Also in case the final bidder fails to deposit one-fourth of the bid amount immediately after the sale is over as per clause 6 above, re-sale of the same will be immediately held and the final bidder of the previous sale will be held responsible for loss, if any, to Government on account of such re-sale besides forfeiting his claim for the amount deposited by him.

8. The successful bidder should remove the stocks purchased by him at the auction within three days after he is intimated of the confirmation of the sale and after payment of the bid amount in full.

9. Non-compliance with the foregoing conditions will entail the forfeiture of the amount deposited by the bidder, besides making himself liable to make good the loss, consequent upon re-sale. He will have, however, no claim to any profit the Government may get from such resale.

10. In all matters of dispute the decision of the Commissioner for Food Production in Mysore, Bangalore, will be final.

Notification dated 17th December 1956.

The public are hereby informed that the right of harvesting and disposal of Sapodilla crops at Fruit Research Station, Hessarghatta, will be leased by public auction from the date of acceptance till 31st December 1957 on 16th January 1957 at 4 P.M. by the Superintendent, Fruit Research Station, Hessarghatta, at his office.

2 The intending bidders should deposit a sum of one hundred rupees only in cash before he is permitted to bid. The deposits of unsuccessful bidders will be refunded after the auction. The right of harvest will be knocked down to the highest bidder who shall pay 25 per cent of the bid excluding the deposit which will be refunded after the expiry of the lease, immediately after its acceptance by the Superintendent, Government Gardens, Lalbagh, Bangalore, and the balance amount within a week. In default thereof the right of harvest will be disposed off in favour of the next best offer and the deposit will be forfeited. The lessee will be permitted to harvest the crop as and when ready only after the total amount is fully paid and a bond executed by the lessee accepting the terms and conditions detailed in the notification.

3 The lessee should be responsible for the proper guarding of the fruit crop immediately his offer is accepted and no complaints in case of theft or whatsoever will be entertained and no compensation or whatsoever will be paid thereof. The lessee is further required to give intimation well in advance to the Superintendent, Fruit Research Station, Hessarghatta, or to any immediate officer on his behalf prior to harvesting of fruits daily. Further the fruits harvested from each tree individually should be kept near it and removed after details of harvest are recorded. Under no circumstances fruits should be removed until all required details are recorded. The crop after the harvest should be brought to the office where permit to remove the fruits from the station premises would be given by the Superintendent, Fruit Research Station, or any officer on his behalf. Under no circumstances the crop shall be removed to residential quarters of the staff in the colony. The lessee should give definite instructions in this behalf to his watchman or to any person deputed on his behalf.

4 Any crop found being removed without the authorization of the Superintendent will be confiscated and disposed off the realisations thereof being credited to Government.

5 Fruits which are fully mature only should be harvested. Diseased ones and fruits infested with borers, etc., must be allowed to be harvested and destroyed.

6 The lessee is required to spare small quantities of fruits at Government rate whenever requested by the Superintendent, Fruit Research Station, Hessarghatta, or his staff in his absence.

7 The lessee should not further claim any compensation for the crop, if any of the diseased branches or trees which may be cut down.

8 The lessee has to make his own arrangements to irrigate the plants by his servants or watchmen.

9 Further the lessee should compensate for any damage done to the trees or to any Govt. property and any damages made to the trees of the orchard during the period of his lease either by himself or by his authorised agents.

10 None except the *bona fide* servants of the lessee to whom permits will be issued will be allowed to remain in the orchard to watch the crop, etc. Arrogance or impertinence on the part of the watchmen or agents of the lessee will be suitably dealt with and such person will be removed from the garden permises and will not be permitted to enter the garden again.

11 Inspection of the crop is permitted on any working day between 7-30 A.M. to 12 NOON and 2 P.M. to 5 P.M.

12 The Superintendent, Government Gardens in Mysore, Lalbagh, Bangalore, whose decision is final in all respects is competent not to accept offers in the interest of Government work and Revenues of the Station without assigning any reason whatsoever.
